SPECIALITY COATINGS Ltd.

ENVIRONMENTAL POLICY STATEMENT

Speciality Coatings Limited, as a leading manufacturer of plastisol and vinyl-coated base, believes that we have a responsibility to care for and protect the environment in which we operate. We are fully committed to the prevention of pollution and management of our environmental aspects and have established this as an integral part of our overall business strategy.

We have identified our key risks and opportunities to be in the areas of: -

- Energy Use
- Raw Material use and Storage
- Generation of Waste
- Emissions to air
- Procurement

To effectively manage our impact upon both the local and global environments, the Company operates an Environmental Management System in line with the standard ISO 14001:2015. This provides the framework for establishing objectives and targets through which we shall strive to: -

- Determine and fulfil the compliance obligations relating to our environmental aspects;
- Maintain an energy management programme to improve energy efficiency throughout all areas of the business;
- Maximise resource efficiency through responsible sourcing, careful planning, recycling and re-use;
- Ensure that all paper based materials used within our products come from a sustainable source and continue to source paper that has been independently certified and meets the standards maintained by both the Forest Stewardship Council (FSC) and the Programme for the Endorsement of Forest Certification (PEFC);
- Maintain a management system to meet the requirements of chain-of-custody in accordance with SGS Forestry to improve product tracing and labelling;
- Review and improve waste management practices;
- Evaluate all new products and processes relative to their environmental risks and opportunities;
- Regularly review all our activities, to identify any areas where we can improve our environmental performance using the plan-do-check-act model;
- Maintain a training programme to ensure that all employees, contractors and suppliers are aware of their environmental responsibilities.

Speciality Coatings Ltd is committed to the continual improvement of its environmental management system to enhance the environmental performance of our company. Periodic environmental audits and reviews shall ensure that this standard is maintained.

Paul Phillips
